N 1/2 OF NW 1/4 LESS RD ROW

Property Highlights:

This property is located in a highly sought-after area known for trophy-caliber deer hunting that is extremely convenient to Tuscaloosa and Birmingham. It is located in Knoxville only 1.3 miles south of I-20/59, yet it is also secluded and extremely private. The property has been meticulous for fantastic deer and turkey hunting for several years. The amount of deer signs on the property is outstanding! There is also five well-placed food plots and stands in place, making this tract the perfect candidate for a buyer who is looking for a property to hunt this season. The timber on this tract also qualifies it as a timber investment candidate in addition to its hunting and recreational attributes.
