PROPERTY SUMMARY

41.2 acres filled with thick timber groves, numerous hunting possibilities, water and electricity. You can't beat this tract just listed not too far from the Red River. There is already a small hunting cabin on the property that has recently been repainted. If privacy and seclusion is something that interest you then this acreage could be for you. The cabin is nestled amongst tall Pines that provides a real feel for nature. Wildlife meander through out the tract with ease. With an abundance of timber there is an option for marketing the timber. This slice of Texas will not be on the market long.
