PROPERTY SUMMARY

There's an old saying, "They ain't making any more of it". This saying could not be more true for this property. If privacy is important to you, this property will suit that desire. Only seven total lots will be sold in this estate. With flat terrain, mature pine trees, and a tributary of Dog River out your backdoor, there is no shortage of great views to build your custom home around. Located just twenty minutes from downtown Mobile, this is a great chance to have seclusion with close access to local amenities. Underground power is present at the property. Call Barkley Gannon at 251-218-3134 for a private showing.
