PROPERTY SUMMARY

The Brazos River Ranch is the combination of excellent hunting, rolling ranch country leading to huge rock bluffs overlooking the Brazos River, elevation changes of over 400 feet, a combination ranch property with something for everyone. The ranch is located along Hwy 16 near Graford, TX on the second bend south of the dam of beautiful Possum Kingdom Lake with over a mile of frontage along the Brazos River.

History comes to life on the ranch from the stories of Indians using the rock bluffs along the river front, to the hand stacked rock fences that meanders through the ranch once used by Oliver Loving and Charles Goodnight to hold cattle before driving them north, one can drift away in time and let your imagination run wild. The cliff views along Fortune Bend are amazing and offer stunning views of Pecan Hollow which is nestled in the valley between two of the large bluffs on the ranch. This area of the ranch offers a great place to have a beautiful spot along the river to enjoy under the shade of the huge pecan trees. A place to enjoy afternoons fishing, or a canoe or kayak trip down the river, or just take
