PROPERTY SUMMARY

This 114 acre tract in Autauga County is the perfect tract for a few families to purchase together. It has 10 camper hookups with septic at each one. Forget leasing a property, this property has year after year produced monster bucks. Excellent pine timber that's ready to be thinned and multiple food plots. The game camera pics of the deer from this past year say enough. For more information or to see this property give me a call.
