PROPERTY SUMMARY

36.51 +/- acre property in Rowan County for sale at Tax Value. The property is located close to Dan Nicholas Park and High Rock Lake. There are some mixed hardwoods located on the property but mostly planted in pines as a part of the Forestry program which allows for Tax deferment. A small pond located on the Southwest portion of the land that could serve as a water supply for cattle or recreational use like fishing or hunting. All around a great tract of land to use for recreational fun such as Atv riding, equestrian, camping or hunting. This land could also be used to farm for agriculture purposes. Thoughts of a homesite to be centered in the property to make for one big homestead have been expressed by many.
