Waynesboro Hunting and Timberland Investment

97 +/- Acres | Wayne County, TN

ADDRESS

Hog Creek Rd
Waynesboro, TN 38485

LOCATION

PROPERTY SUMMARY

Located in Waynesboro Tennessee this 97 +/- acres features a significant amount of merchantable hardwood timber including white oak, red oak, poplar and other native species. The topography is rolling and has Hog Creek running north and south of the property. The running creek features several small waterfalls creating a beautiful backdrop to the large timber. Deer and Turkey are plentiful and I found several sheds while walking the property. The property has paved road access from Hog Creek Road. Great investment property that won't last long.
