PROPERTY SUMMARY

Excellent hunting, recreation and timber investment tract in the Cedar Grove community situated just south of Vance and west of West Blocton, AL. The property has a great interior road system and several food plots. Topography is rolling with nice hardwood draws that are loaded with an array of mast producing oaks including nice stands of white oaks. Timber was harvested about 3 years ago and regenerating naturally. This tract is very isolated and surrounded by large land owners and timber companies. Strong deer numbers and abundant deer signs! This tract would make a great land and timber investment. For more information call Adam Aderholt at 205.410.2699. Shown by Appointment Only.
