### PROPERTY SUMMARY

Portal Arizona. Some of the best-looking county in all of Arizona. At approximately 4,300', our property looks into the gorgeous Chiricahua Mountains, the former homelands of the great Apache Chiefs, Geronimo and Cochise. If you are into Hiking, Hunting, Bird-watching, horseback riding or just being in the great outdoors, this is your property. It has great views of the towering Chiricahua Mountains and the valley floor below. NO HOAs nor CCRs. No restrictions. Power is close by, with the potential to go Solar. Our 240 acres are looking for a new owner. This property could be your dream ranch. Bring your horses, chickens, goats, and even a cow or two. Plant some fruit trees. Watch the local deer and other wildlife at your doorstep. FYI, another 240 acres next door might be available as well. I hope to hear from you. Owner financing might be available. The seller wants to sell this property!
