### PROPERTY SUMMARY

This scenic farm near Florala has it all: A farm house overlooking a large field, timberland, fantastic hunting and year round creeks. The 3BR 2BA farm house has covered front and rear porches, pool, laundry room, den, dining room, mud room and covered parking. While only a few minutes from the shopping and churches of Florala, the property is isolated enough to have all the privacy desired of a rural farm. There is 1 barn on the property for hay, farm equipment or tool storage. This tract is livestock ready: it's fenced and crossed fenced with pastures, catch pen with hydraulic chute and mature hardwood and pine timber. The owner currently has cattle on the property, but it is suitable for horses or any other live stock. Conveniently located just off Tung Oil Road. DIVISIONS MAY BE CONSIDERED. Contact Forrest During or Clint Flowers, ALC at 855.NLR.LAND for more information.
