PROPERTY SUMMARY

Nice hay production land with the back half of the 42 acre tract mined in the 1970's. Now the back half has mature natural regenerated pines and hardwoods creating a great wildlife habitat for the hunter in you. Good access off of Slashy Pine Road. Many different homesite/cabin locations to choose from. There is an old chimney and an old well from a previous homesite in the middle of the tract. About 40 minutes from Birmingham, 1 hour from Tuscaloosa and 1 and a half hours from Huntsville. Come and make this your own. Call Chris to schedule your showing. 205-276-2446
