location details.

PROPERTY SUMMARY

This tract is located just south of Boligee on County Road 20. It is one of the best areas in the state for hunting. This is a turnkey hunting tract with large established food plots for wildlife, set up with very nice shooting houses. It would be hard to find a better small hunting tract for a family with kids wanting to get away and enjoy the outdoors. There is a great little camphouse with 2 bedrooms, 1 bathroom, a kitchen-living area and a big front porch looking out over the property. Also included is a large storage container for ATVs and tools, and also a skinning shed. This property is shown by appointment only. For more information or to set up a showing call Allan Hixon at 205-799-1422.
