PROPERTY SUMMARY

Junction Motor Speedway is a fantastic turn-key dirt track with facilities! It's all here: track, seats for 4,000, concessions, announcer's booth, four private suites, fully fenced, best lighting available, machine shed for track equipment, lots of parking, irrigation well for track water, farmland, and more! You won't find a nicer, more well-kept facility. The track is in a great location with access just off the new Highway 81 four-lane and I-80.
