### PROPERTY SUMMARY

The gorgeous house of worship property includes a large sanctuary building, an office building, and a portable building. The three together offer a vast combination of meeting spaces, classrooms, and offices as well as residential opportunities.

The sanctuary/Sunday school is 14,803 SF and was built in 1990. It features beautiful wood ceilings, stained glass windows, sound booths, and a large attractive foyer. There is a small pool feature outside for a unique baptismal experience. The rear portion of this building features a large commercial kitchen, a dining and fellowship hall as well as several other meeting rooms, classrooms, nurseries, offices, and storage and utility areas.

The separate office building at the rear of the property is 4026 SF, built in 1980, and features more meeting spaces and offices as well as a large kitchen.
