location details.

PROPERTY SUMMARY

This property would make a great family hunting tract. It has great access off of a paved county road and a very good internal road system. The acreage consists of 86+/- acres of 4-year-old planted pines, 49+/- acres of mature hardwood, and 15+/- acres of mature timber along a very nice creek that flows through the property. The tract has 4 green fields and very good deer, turkey, and small game hunting. There is a perfect spot to set up a camper or build a camp house, both with power and county water available. A barn is already on the property which could be utilized for storing ATVs, a tractor, or other equipment. For more information or to set up a showing, call Allan Hixon at 205-799-1422.
