### PROPERTY SUMMARY

The Trinity Lakes North property is an income producing farm, offering farming, outstanding hunting, excellent fishing, and year round recreation all within 25 minutes of downtown Dallas. This multifaceted farm boasts around 4,548 +/- of levy protected acres.

Trinity Lakes North offers great potential. The gravel lakes are second to none. Several of them with shallow enough water to hold several thousands of migrating ducks during the winter months making this a duck hunter's dream. The lakes have also been stocked with a Florida strain bass which makes for a fun day on the water. Being in close proximity of the Trinity River allows lots of wildlife to roam the property with big bucks being killed on and around this property along with feral hogs, and some outstanding wing shooting.

Trinity Lakes North still has two active gravel pits that are producing sizable income for future owners along with the potential farming income. The roads around the farm are mostly gravel which makes for
