PROPERTY SUMMARY

Recent Survey! These 46 +/- acres with attractive road frontage along Hwy 211 and Opal road are located minutes outside Red Springs. The road frontage and location make this land ideal for a large homesite or family estate. Recent growth in the surrounding area could influence future development opportunities. Road Frontage along HWY 211 is 1,100 +/- feet, and frontage along Opal road is 1,500 +/- feet. The land is currently being used for row crop production and recreational. Good soil conditions are capable of producing a variety of crops. The wooded acres provide recreational use while the cleared acres provide opportunity.
