PROPERTY SUMMARY

Located just a few miles west of Greenwood, MS in Leflore County is this 625-acre premier high fence, trophy whitetail, migratory waterfowl, turkey, and fishing property with a stunning 3-bedroom furnished lodge, real wood fireplace, full kitchen, and 3 large private bedrooms all offering ultimate comfort and privacy. The property features include approximately 4.5 miles of professional game management high fence for the management of whitetail deer, meant to keep deer out, not in, so you as the owner can actually raise your herd to gain their maximum growth. The largest whitetail taken thus far is over 184 inches, Boone and Crockett! There is a professional game biologist monitoring the herd here at Blue Lake and every acre of land in this high fence is used to increase the habitat for all the wildlife. This is one of the finest tracts you will find for trophy whitetail and duck hunting. Call today!
