PROPERTY SUMMARY

Blackjack Hunting Lodge is a beautiful 800+/- acre gentlemen's farm located in central Alabama, right in the heart of the famous Black-Belt. This area is well known for its rich soil and plentiful wildlife. Please give Robert Dudley a call at 334-707-2602 to schedule a private showing. The lodge sits upon the trophy fishing pond and can comfortably sleep 12. There are ample sitting areas, fireplaces, a firepit, and skinning and storage barns. The property is half whitetail preserve and half free range to give hunters the opportunity to harvest a buck of a lifetime at any difficult level they choose. The deer have been strictly trophy managed for 15 years, this includes supplemental feeding year around and habitat improvements to optimize herd health and growth. To help ensure deer to grow to their full potential the owner placed a harvest minimum of 120 inches inside the preserve and 8 point outside the ears outside of the preserve. The turkey hunting is some of the finest in the country a
