PROPERTY SUMMARY

This is a rare opportunity to own a piece of land in Chelsea, AL. Chelsea is the 2nd fastest growing city in the state and if you have ever looked for land in Chelsea, you know how hard it is to come by. This property not only offers beautiful mountain views, gorgeous hardwoods, and a flowing creek, but it is ideal for someone wanting to build a home and feel like they are secluded. If you're looking for a home site or just a place to get away and relax, don't let this one pass you by!
