PROPERTY SUMMARY

Tucked away in the hills of northwest Monroe County, Durgan Branch Creek is a beautiful and ready to enjoy multi use 26 acre tract that offers deer hunting, secluded cabin or homesite, small mini farm start up, off grid living, and timber investment. If you desire to have a private and peaceful getaway then this is it. This property has two gated internal roads. One internal road is a wide gravel road accessing the south side of the property and the other road leads to a 10x16 insulated multi use building located on a high ridge top. Two cleared food plot areas branch off of this ridge top. The property is completely wooded with mixed hardwood and pines. Durgan Branch Creek runs through the middle of the tract and is surrounded by steep rolling hills. Build your cabin or home on this wonderful property and have the peaceful and private country lifestyle you have been searching for. This great property has several hundred yards of public road frontage.
