PROPERTY SUMMARY

Sometimes small properties feel bigger than they are, and this 27-acre property feels more like 50 acres. This hunting tract is located just minutes outside of the small town of Maysville NC in Jones County. This area is known for its black bear population, wild turkeys, and its abundance of deer, and this tract is full of all three. With hunting paths throughout and food plots perfectly placed, this property provides a great hunting refuge. For more information call Aaron Sutton at 252-560-9593.
