PROPERTY SUMMARY

INVESTMENT OPPORTUNITY!! Take a look at this large 16,000+ square foot commercially-zoned building! This former 70-bed nursing home is well-built with concrete block walls, a steel roof, 10-foot-tall ceilings, and a solid concrete foundation. Mostly gutted, with existing power service from OG&E, the rooms are ready to be reconfigured for your needs. Existing HVAC system is approximately 24 tons with room to add more to keep the heat down. Would make for a great office building, or storage units!
