PROPERTY SUMMARY

With time being of the essence fortunately this property has many improvements already in place such as Electricity, a well, and a valid septic permit approved by the county. A gravel road/driveway that leads through 2/3rds of the property including a creek crossing and culvert pipe installed. This property is easily accessible by passenger vehicle, ATV, horse/equestrian, and is also great for walking. The driveway is well-established and suitable for all types of vehicles including your everyday driver. This property features a flowing creek, open fields, and a mix of hardwood forests. A secure outbuilding and storage container located at the front of the property ready to secure your tractor and or outdoor toys. This is a versatile property that can be suitable for many uses such as residential, hobby farm, equestrian, hunting, and or a private place to live and do all these things mentioned.
