PROPERTY SUMMARY

This beautiful 5.75+/- acre homesite is located in western Anderson County roughly half a mile from Lake Hartwell. The property is part of a 45-acre agricultural field that has been farmed since the late 1950s for a multitude of crops including corn, soybeans, and milo. Wheat was planted most recently and harvested in late June. The topography is very gentle which in turn makes it perfect for a homesite location. The amenities of Hartwell, Starr, and Anderson are all within a short 20-minute drive, which makes this a great location to raise a family. Call today to schedule a private showing!
