PROPERTY SUMMARY

Homesites or estate property, this is a rare find in this area. Located in the quiet eastern part of Tupelo, MS, this beautiful 46 +/- acre property has so many possibilities! With approximately 2,700' of paved road frontage on Hillsdale Dr. and Oakview Dr., this property is prime for development with multiple home sites throughout! It is a beautiful wooded area presenting opportunities for several secluded homesites and estate properties as well.

This portion of East Tupelo currently has many nice homes, but these 46+/- acres have been sitting here for years with no development. It is unusual to find a property like this so close to downtown Tupelo. It is only 1.5 miles north of East Main and less than 4 miles from the Lee County Courthouse.

With road frontage on multiple sides, there is the possibility for this property to be subdivided as well. Contact the agent for details.
