PROPERTY SUMMARY

Located along US Hwy 87 almost equidistant from Fredericksburg and Comfort, lies 130.7 acres of gently rolling land that is heavily covered in oaks and other hardwoods. Good gates and fences, water and electricity, and about a quarter of a mile of highway frontage. Hunter's cabin, a small caliche pit for road improvements, and a nice start on what could be a water feature up on top of the property. Numerous building sites lend long-range views on some of the most sought-after land in the Texas Hill Country. 95% of the cedar has been removed and a ton of rocks have been piled up giving the land a great manicured look. Lots of deer, turkey, and some exotics roam this ranch. No restrictions by the seller. Hwy access. High fenced on 3 sides with excellent fencing.
