PROPERTY SUMMARY

If you're looking for a large home with room inside and outside for everyone and priced very well, this may be the home for you and your family. The home has approximately 2619 sq ft, 4 bedrooms, 2 baths, large great room, and living room. The floors are hardwood, tile, and some carpet. The kitchen and great room are an open floor plan with a wood burning heater in the fireplace. The home has central air & heat and a paved driveway with and two car carport with storage area. The house is a "U" shape in the back with French doors on both sides that wrap around a large patio. There is a large shop and storage building in the backyard. Poplar Avenue is a quiet street with lots of pretty older homes. This is a great location! Call for your private showing.
