### PROPERTY SUMMARY

This scenic farm is located between McCullough and Huxford. It's seconds away from Highway 21, with 3,083 feet of paved frontage on McCullough Road and 3402 feet of frontage on Bryant Lane, all a short drive from I-65 at Atmore, Mobile, or Baldwin County. Enjoy ~112 acres of tillable farmland that will generate strong income and a versatile, centrally located ~5-acre fishing or agricultural lake site. This area is well known for quality waterfowl, dove, deer, and turkey hunting, which could all be harvested here. This tract would also make an excellent home site with amazing sunrise and sunset views, and if you ever wanted to diversify the farm, it would make excellent pasture land for cattle with a central water source and easy layout for fencing and cross fencing.
