PROPERTY SUMMARY

The title says it all! Remote hunting land located a few miles outside the small town of Siler, KY. This property is perfect for the outdoorsman or woman looking for a remote get away or hunting property. This tract of land has an abundance of white-tailed deer and turkey. Great buck sign and just remote enough the hunting pressure is minimal. The right recipe for harvesting big bucks. There are a couple locations on this property where a small cabin would fit perfectly. If outdoors activities like hunting and canoeing are what you are looking for this is the one for you.
