Presenting for sale the historic Shelby Forest General Store!

Opened in 1934, the store cooks to order breakfast and lunch hot off the grill and offers homemade Mennonite baked and jar goods.

The store is fantastically located between the front and rear entrances of the Meeman-Shelby State Park, one of the most heavily trafficked parks with around a million visitors each year. Organized hikes, runs, bike races, nature symposiums, and outdoor recreationists frequent the Forest year-round.

Most definitely well worth the however-far-out-of-the-way-you-need-to-go to add the Shelby Forest General Store experience to your bucket list. We're certain you will find the store a refreshing and pleasant step into yesteryear! Call me, let's talk about it!
