PROPERTY SUMMARY

Tired of deer camp drama and looking for a place to call your own next hunting season? Well if you like shooting trophy bucks and gobblers, then you need to buy this place! This Montgomery County tract is already perfectly set up for hunting with a great internal road system, 5 established food plots, and deer stands already in place. Comes with 4 brand new box blinds and a Sportman's Condo. Privacy and seclusion comes with owning this property, as it is accessed by a deeded easement. Adjoining landowners have tons of row crop fields that will offer summer food for whomever buys this place. Located in the Lodi community just 10 minutes away from both Winona and Kilmichael. The entire property is wooded and features mostly young hardwood timber with some scattered mature pine and oak trees. Has 20-25 acres of young plantation pine and several acorn-producing oak trees. Perfect deer habitat! Trail cameras can prove there are several monster bucks and gobblers living on this property. Come see
