PROPERTY SUMMARY

This beautiful tract is located in the Stewart community, less than 10 minutes from Moundville, and only about 30 minutes from Tuscaloosa. It is made up of pasture and woods with a nice pond. There is an improved road that leads to a lovely homesite that overlooks the entire property. County water is already run to the homesite, power is available, and high-speed internet will be available soon. This property has half a mile of paved road frontage with several wonderful homesites. A pole barn has already been built to keep your equipment out of the weather or it could be finished out for a house. One would have to look long and hard to find a more perfect place to build their dream home.
