### PROPERTY SUMMARY

This tract is located in the popular Kansas deer management unit 16 and 5 miles south of Zenda, KS. This unpressured 160-acre tract encompasses 47 +/- acres of Nalim loam, Shellabarger fine sandy loam, and 99 +/- acres of pasture. Not only does this property have potential crop income, but also has the potential to develop into a big buck producer! Unit 16 has dense deer populations and is recognized as one of the top counties in the state when it comes to world-class genetics! A seasonal creek bottom lines the northeast corner of this property, along with a solar well making this 160-acre tract a must-have! Whether you're looking to develop this property into the best recreational tract in Harper County or to expand your farming operation this place can't be overlooked! For more information about this property or to schedule a private showing, call Jacob Lemons at 918-271-8384 or Aaron Fast at 620-747-0414.
