## Uwharrie River Homesite & Recreational Tract

27.82 +/- Acres | Randolph County, NC

### ADDRESS

Trinity, NC 27370

### LOCATION

### PROPERTY SUMMARY

This unique tract has over 1,850 feet of frontage on the Uwharrie River. The river cuts across the property on the front (south) side allowing you the option to build on the south side, cross the river, and use the rest of the property for livestock or row crop production. Another option would be to cross the river and build on the north side. Regardless, I am confident that you will not find another property like this anywhere in North Carolina, and with the right work and vision, this will make a beautiful homesite overlooking the river.
