PROPERTY SUMMARY

Roughly 2-3 miles outside of Dadeville sits 129 +/- acres off of Booger Hollow Rd. This property features nearly 755 feet of paved road frontage and would be a great location for a potential homesite. The diversity of habitat that causes wildlife to thrive can be seen in the beautiful stream that runs through the middle of the property as well as a vein of quartz rock. This would be a great property for anyone looking for a hunting property or maybe just somewhere to get away from a busy day-to-day life. It is certainly worth taking a look at.
