PROPERTY SUMMARY

What a beautiful lake home you will not want to miss out on. The minute you walk into this home, you are met with the stunning water views from the front entrance that span the width of the home, allowing you to enjoy the water anywhere in the house you might be. This home offers more than 2400 +/- sqft with another 700 +/- unfinished. On the main level, there are 3 bedrooms and 2 full bathrooms, one of which is the current master suite. Also, on the main level, you'll find a spacious living room that flows into the kitchen and dining area. All while still enjoying the spectacular lake views. Off of the living room, you will find one of the many patio spaces available for entertaining or enjoying a nice Smith Lake sunset. As you go down to the lower level, you will again immediately be hit with the water views as you walk into the second living room with a new kitchen and bar area providing more opportunity for entertaining. The second floor also offers a gas fireplace, another bedroom, and
