## PROPERTY SUMMARY

This is your chance to own a piece of the Elwood Historical Ranch, former hideout for the infamous Dalton gang during the late 1870s.

This 164-acre parcel is one of nine parcels being sold that make up the approximately 1426-acre ranch. For the first time, this property may now be purchased in its entirety or as individual legal conforming & non-conforming parcels.

Each parcel comes with entitlements for a home, ADU, and relevant agricultural structures. The ranch is strategically positioned between Squaw Valley and Wonder Valley, just 35 miles from Fresno. It's private, but easily accessible via HWY-180.

Abundant water amenities, including seasonal streams, waterfalls, & spring-fed ponds are throughout the rolling hills, meadows, and steep pasture lands. Timber & thriving wildlife accompany the panoramic views of Trotter Canyon & Squaw
