PROPERTY SUMMARY

It is not often a prime backcountry outfitting business will hit the market. Well, here it is!

This premier Idaho backcountry outfit has been in operation for over 50 years. The bugs have been worked out and this is a turn-key, money-making outfit. It encompasses over 1,000 square miles of some of Idaho's best backcountry. When Daniel E. Kelly wrote the song, *Home on the Range*, he must have been standing where this outfit now sets up its main camp.

This is one of Idaho's premier Outfitting businesses. The business operates year-round with up-to-date and modern equipment, a dedicated staff with decades of experience, and repeat clientele. The business conducts spring bear hunts, with a high ratio of color phase bears. The summer fills with pack trips and high-altitude lake fishing trips. The fall is full of big game hunters. You won't believe the allocated deer and elk tags and landowner tags this outfit possesses. Big game
