PROPERTY SUMMARY

8 mile creek meanders through the north half of this whitetail haven, providing ample cover and live water. The property borders Ft. Supply WMA on the East side allowing for more hunting opportunities. This property hasn't been hunted for a few years making the deer flock to it. The farmhouse would make for a great central location to stay and hunt this property, as well as other surrounding areas. With the old-world bluestem fields, you could plant to a crop to lure more big bucks out of the WMA.

Just a short drive to the thriving NW OK town of Woodward for groceries, gas, etc.
