PROPERTY SUMMARY

Location! Location! Location! This large acreage property is located just across from Virginia International Raceway, also known as America's Motorsports Resort, and in the words of the legendary Paul Newman, "If there's a heaven on Earth...it's VIR."

This property has Southern Virginia written all over it with its old tobacco fields, timber, and a bass/duck pond. The land lays well and there is huge investment potential along Pointer Road. There is also recreation potential with healthy populations of deer, bear, and turkey. Luckily the land is raw, which offers a wide range of possibilities.

In addition to racing traffic from all over the world, VIR is the site of North America's largest annual rock music festival: the Blue Ridge Rock Festival. Contact Turner Wall at (434) 483-3535 for more information.
