### PROPERTY SUMMARY

This property is located less than 2 miles south of Batesville, MS. The property offers a wide range of opportunities starting with multiple beautiful spots to build a home as one house pad is already made and just waiting to be built on. This could also be a great spot for the creative mind to develop a sub-division in the near future. The rolling hills and 16 acres of pasture could produce some income for the cattle farmer as well, not to mention there is no shortage of whitetail deer in the area. Minutes from town but offers the country living that we all love!
