### PROPERTY SUMMARY

Bring your family to the country! This 49-acre gem is just off of Hwy 10 only a few minutes east of Clinton LA for ease of travel and convenience, but also tucked back in the woods for your privacy and seclusion. If you look through the pictures, you'll realize that there is PLENTY to do for you and your family to enjoy the outdoors here! There are lots of deer to hunt, the large timber is loaded with squirrels, and Darling Creek is home to some great creek fishing (check out the stringer pictures)! As mentioned, the property boasts some extremely large mature timber which is both beautiful and a great investment. The camp / house on the property is a 3 bed, 2 bath cabin with all utilities including city water ready for you to move into! There is also an old barn building with a concrete slab that the current owners have plans to completely redo with brand new metal exterior and windows. Let me know when you'd like to take a look at this and see if it's what your family needs
