location details.

PROPERTY SUMMARY

This tract is located in Beaverton between Guin and Sulligent, which has a reputation for good hunting and big bucks. Beaver Creek, Cannon Mill Creek, and Barnes Mill Creek all run through the property, and the timber ranges from pre-merchantable planted pine to mature pine and hardwood. The property has frontage on Olive Hill Road and Western Front Road with some good spots to build a camp house or set up campers. This tract is large enough for a group to go in together and start a hunting club. For more information, call Josh Hixon @ 205-361-0946 or Allan Hixon @ 205-799-1422.
