PROPERTY SUMMARY

25 Mile Creek HQ is one of those rare properties for sale in Northwest Oklahoma. Featuring a live creek in combination with a balanced habitat of grass, thickets, mature cottonwood trees, and smaller tree groves, this piece of land is home to many whitetail, quail, turkey, and even seasonal waterfowl. The creek lies west to east and provides a natural funnel for bucks as they travel through the area. Camp, including a new water well & power, is set up and ready for your next hunt!
