PROPERTY SUMMARY

This scenic hunting property boasts over 40 acres of food plots with two shooting houses, creating a superb deer and turkey hunting venue. The main road meanders through the food plots and is located on one of the highest ridges in Jasper Co. The shooting houses are well-built and strategically located on the field and food plots. Due to the size, summer and winter food can be easily planted and rotated. Small stream flows through the middle and with a bridge to cross.
