PROPERTY SUMMARY

Fort Adams is a recreational landowner's dream. Located just minutes from Woodville MS and 1 1/2 hours from Baton Rouge you can pull right off the blacktop highway onto your new family property. This area is teeming with wildlife, from whitetail deer, to lots of small game, and hogs. Making this even better is you can duck hunt when the Mississippi River comes up! This piece is mainly your classic bottomland timber with approx. 30 acres of hardwood timber on the east side of the road. You'll be able to pick from multiple camp locations on the east side which is out of reach from the river even on its highest years and enjoy all of the hunting your heart desires on the remainder of the property!
