PROPERTY SUMMARY

This trophy hunting and timber investment in the renowned Alabama Black Belt has a lot to offer. It's heavily stocked in merchantable and mature pine plantation and the hardwood bottoms are full of large oaks and other species, providing a strong timber value altogether, and the network of large food plots, roads, and trails allow you to chase the abundant trophy deer, turkey, and other wildlife this area is well known for with ease. It's all conveniently located a short drive east of Camden near the Dallas County line, an easy jaunt from I-65, Highway 80, Highway 41, and Highway 10. Opportunities like this don't come along often and this one is sure to move quickly. Contact Clint Flowers or Ted Devos at 855.NLR.LAND for more information before it's gone.
