PROPERTY SUMMARY

This property is right where it needs to be for big game. Macon County is known for its abundant and big deer and turkey. It has a good mix of open land and trees with two ponds. There are also plenty of thickets for big bucks to hide. There is water and power at the road. With the property being on two sides of the road, you have choices to hunt depending on the wind direction, not to alert the deer.

It is only thirty minutes from Montgomery, Auburn, and Lake Martin. It is only about 5 minutes from I-85, which makes it easy to access. Co Rd 50 is a fairly quiet road with little traffic. A must-see!
