PROPERTY SUMMARY

This great investment opportunity consists of two different tracts that offer a great timber investment, several home or cabin sites, and excellent hunting throughout the rolling wooded terrain. The first tract is 37 acres accessed by paved public road frontage with utilities and is covered with mixed timber as well as wide power line near the west side of the property. These 37 acres include an internal trail, mixed timber, several potential build sites, and great recreational features. If you want to build a secluded home or cabin then this property is your opportunity. This can also be a recreational getaway property to make your own. The second tract consists of a landlocked 8-acre property that would be accessed from the same public road and offers mixed timber with additional power line access. The 8-acre tract has timber investment and hunting opportunity as well. Nearby MS cities include Tupelo, Amory, Aberdeen, Columbus, and West Point. Hamilton, AL is about 20 miles east.
